A little Insight into the Process

Our Major Releases follow a structured process to ensure quality and reliability:

- **Development Cutoff:** Final date for new features to be included
- **Cross-Team Testing:** Product, Support, and Services teams validate functionality and catch defects
- **Pilot Phase:** Early release to select customers for real-world testing
- **Full Rollout:** Phased delivery to all customers over ~30 days

2026 Major Release Schedule

	Dev Cutoff	Cross Dept Regression	Pilot(s)	Rollout
